

BONE GROWTH  
FOUNDATION INC

The Bone Growth Foundation was established in 1991 to promote infrastructure and support for research into children's crippling growth impairments. The foundation seeks to fund research into finding better, less painful treatments for children with bone growth problems and ultimately making a difference to quality of life for suffering children.

Based within the Orthopaedic Department at the Women's and Children's hospital in North Adelaide, the Bone Growth Foundation is a self-funding, tax exempt, non-for profit organisation operating solely on donations, sponsorships and the proceeds of our own fundraising efforts.

The Bone growth Foundation's works is already providing better, less painful treatments for children with crippling growth problems. But we still have a long way to go. Please visit the website [www.bgf.asn.au](http://www.bgf.asn.au).

ISIS

## 2011 CHARITY GOLF DAY

DATE: Monday, 7<sup>th</sup> of November 2011

VENUE: Ryde-Parramatta Golf Club  
1156 Victoria Rd West Ryde  
NSW 2114

ISIS is committed to raising funds for a good cause.

Over the years ISIS has held various annual charity events to help raise not only money, but also awareness for various organisations across the nation. ISIS has only been able to achieve this with the support of the many generous subcontractors that form the ISIS family.

Our NSW annual events have raised over **\$475,000** for charities across the state, in this time, ISIS has formed a strong association with the Bone Growth Foundation Inc. to raise awareness and contribute to the Orthopaedic research unit at Westmead Children's Hospital.
