## Royal Adelaide Golf Club 28 October 2011

The annual ISIS SA Golf Day will be held this year at the prestigious Royal Adelaide Golf Club at Seaton. Guaranteed to be a great day even if you do spend your time avoiding hazards, you will go home with the satisfaction of giving a little bit back.

Join us for a day to remember at one of the world's best courses. Start the day with a light breakfast before hitting the course, and then enjoy a gourmet BBQ lunch with raffles and charity auction. All proceeds raised will support the Bone Growth Foundation in their efforts to fund research into bone disease in Aussie children.

If you would like to be part of the ISIS SA Golf Day and have the chance to play on the famous Royal Adelaide Golf course, please register your interest by email to [Jodie.pitcher@isis.com.au](mailto:Jodie.pitcher@isis.com.au) or [joanna.cook@health.sa.com.au](mailto:joanna.cook@health.sa.com.au), or fax the completed form to (08) 8161 7057.

Also, if your company would like to sponsor a hole, please tick the box provided and supply company details. Book early as numbers are limited!
